

The Collection

Our plans offer members a generous frame allowance to use toward any frame of their choice or the option to choose their frame from our exclusive Collection of over 200 name brand frames. Each comprehensive plan includes a selection of Collection frames that are covered in full (retail value up to \$225).

Covered-In-Full Contact Lenses

Contact lens wearers will find the same outstanding value and quality with CS Benefits and Davis Vision's Contact Lens Collections, our value-added option to the contact lens allowance. Members who select from our popular Collection of contact lenses receive their evaluations, fitting, follow-up care, and contact lenses — covered up to \$130! To see the full Formulary List of Contacts, please visit us at www.CitizensGroup.com.

Unparalleled Value on Lens Options

Standard lenses such as single vision, bifocals, trifocals, and lenticular lenses are covered in full, and many extras are included at no cost for members. Plus, many of the most popular lens options are offered at significantly reduced prices.

Network Choice

Freedom of choice in selecting a vision provider is a core value to us. We offer out-of-network options to all members. The member is responsible for the difference between the out-of-network provider's charge and the negotiated schedule of a network provider. If a Davis network provider is not available within 30 miles of a member's home or there is no provider that adequately meets the particular health care needs of a member, we allow access to a non-participating provider. In this case, there is no additional cost beyond what the member would normally pay for the same in-network service. To learn more about your network choices, contact us at www.davisvision.com.

Vision Q & A

How do I receive services from a provider in the network?

Simply, call the network provider of your choice and schedule an appointment. Identify yourself as a Davis Vision plan participant. You will be asked to provide the name(s) and date of birth of any covered member needing service. No claim forms are required. Be prepared with your personal I.D. number when you call.

Who are the network providers?

The Davis Vision network have licensed providers in both private practice and retail locations who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. To Find a Provider, go to www.CitizensGroup.com, click on Vision or call 800.999.5431 to be directed to the network providers nearest you.

Can I access care at a retail location?

In order to provide our members with the greatest flexibility and convenience, Davis Vision has a number of retail establishments in the provider network. Benefits at retail locations may vary slightly from other locations, as noted in this benefit description.

What about out-of-network provider benefits?

Although you can receive the greatest value and maximize your benefit dollars if you select a provider who participates in the network, you can choose an out-of-network provider. You must pay the provider directly for all charges and then submit a claim for reimbursement to:

Vision Care Processing Unit
PO Box 1525
Latham, NY 12110

Only one claim per service may be submitted for reimbursement each benefit cycle. To obtain a claim form, please visit our website at www.CitizensGroup.com.

Are there any exclusions?

The following items are not covered by this vision program:

- Medical treatment of eye disease or injury.
- Vision therapy.
- Special lens designs or coatings, other than those previously described.
- Replacement of lost eyewear.
- Non-prescription (plano) lenses.
- Contact lenses and eyeglasses in the same benefit cycle.
- Services not performed by licensed personnel.
